***Ex Parte Quayle***

1. This application is in condition for allowance except for the following formal matters.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

***Drawings***

2. The drawings are objected to because the sheets of the replacement drawings filed 6/10/04 were not labeled with "Replacement Drawing" on each drawing sheet that replaced an original drawing sheet. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner,

Art Unit: 2852

the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

***Election/Restrictions***

3. Claims 1-30 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 12/29/06.

***Allowable Subject Matter***

4. Claims 31, 32 and 35-40 allowed.

***Comments***

The replacement drawings filed 6/10/04 did not have the appropriate label of "Replacement Sheet" placed on the sheets submitted, where none of the replacement sheets filed 6/10/04 had the label of "Replacement Sheet". Applicant needs to submit new replacement drawing sheets with the label "Replacement Sheet" on each of the sheets that replaced an original drawing sheet.

Applicant is to note that claims 1-30 are still pending in this Application, even though they are withdrawn as non-elected. Claims 1-30 must be canceled before allowance.
